

(IEEE, EI and ISTP) 8th ICCM: Call for Papers, Invited Sessions, Workshops

ICCM2012 : Seoul, Korea(Rep. of), April 24-26, 2012
8th Int'l Conference on Computing Technology and Information Management
(NCM and ICNIT)

URL: <http://www.aicit.org/iccm>, Contact: iccm@aicit.org

- **NCM** : 8th International Conference on Networked Computing and Advanced Information Management
- **ICNIT** : 3rd International Conference on Next Generation Information Technology

Important Dates and Venue

- Date of Main Conference: **April 24-26, 2012**
- Paper Submission: **January 5 - 31, 2012**
- Venue: **Grand Hilton Hotel (Seoul), Korea**
- Sponsor/Organizer: **IEEE, IEEE Korea Council, ETRI, KISTI, Asia ITNT Association, AICIT**
- Special Visiting Tour: **LG Display Company (Exhibition Center for LG Company's Display)**

Publication (Proceedings and Journals)

- Proceedings: **IEEE (EI and ISTP cited)**
- <http://ta.ieee.org/infosched/submission.aspx?tag=20416>
- Journals: Selected papers will be recommended to the **SCI/EI/SCOPUS** listed journals

This premium international conference provides a forum to present research results in all areas related to Theory, Development, Applications, Experiences and Evaluation of Networked/Ubiquitous Computing and Advanced Information Management.

Call for Papers (Paper Submission: **January 5 - 31, 2012**)

ICCM2012 will be held in Seoul, Korea(Rep. of). Selected papers will be included as revised monographs in the international journals. For more details, please visit the conference [website](#).

Scope

1. Track NCM ([details](#))
 - Research Issues and Technical/ Industrial Application Results on Networked Computing
 - Research Issues and Technical/ Industrial Application Results on Advanced Information Management and Service
 - Research Issues and Technical/ Industrial Application Results on Digital Content, Multimedia Technology and its Applications
2. Track ICNIT ([details](#))
 - Research Issues and Technical/ Industrial Application Results in the various fields of Next Generation Information Technology

[Call for Invited Sessions, Call for Workshops](#)

ICCM2012(NCM and ICNIT) Invited Sessions and Workshops will provide the participants with opportunities to discuss and explore areas related to the Theory, Development, Applications, Experiences, and Evaluation of Information and Service Sciences with fellow students, researchers, and practitioners. Workshops may be related to any topics within the conference scope.

[About AICIT Conferences](#)

1. Peer Reviewed International Conferences

AICIT Conferences are peer reviewed international conferences by more than 400 scientific members from more than 50 countries. Please see the conference websites which you have interest in. You can find the review process and scientific members easily.

2. More than 400 Scientific Members from more than 50 countries

AICIT respects all researchers from scholars in the developing countries to scholars in the developed countries. You can find more than 400 scientific members from more than 50 countries as AICIT is unbiased organization. AICIT always welcome new scientific members from all over the world.

AICIT, Korea(Since 2005) : Advanced Institute of Convergence Information Technology
