contact: odysseus2015\_at\_laas.fr

**\*\*\*\*\* Deadline for extended abstract submission: October 17, 2014 \*\*\*\*\***

**\*\*\*\*\* Submission is now open. \*\*\*\*\***

**Scope of workshop:**

This international scientific workshop, 6th in the series of ODYSSEUS meetings, follows in the footsteps of its predecessors (Crete 2000, Sicily 2003, Altea 2006, ÅžeÅŸme 2009, Mykonos 2012) in bringing together researchers and practitioners in the field of freight transportation and logistics to discuss recent experiences, exchange ideas, disseminate research results, and present advanced applications and technologies. It provides a high quality forum for recent developments, trends and advances in the theory, practice and application of mathematical models, methodologies and decision support systems in the field of freight transportation and logistics.

Topics of interest cover a broad spectrum and include but are not limited to:

- Vehicle Routing
- Fleet and Crew Management
- Modal/Intermodal Transportation
- Terminal Management
- Supply Chain Logistics
- Network Design and Planning
- City Logistics
- Facility Logistics
- Intelligent Transportation Systems
- Humanitarian Logistics

**Conference Location and Venue:**

The workshop will take place in the city of Ajaccio in Corsica, the island of beauty. Hometown of Napoleon Bonapartes, Ajaccio is called the Imperial City. The city is located between the Mediterranean sea and the mountains of Corsica. The city is charged with history, culture, and gastronomy. The meeting will be held in the Palais des CongrÅšs situated on the harbor of Ajaccio in the old Genoese town.

**Important dates:**

Deadline for extended abstract submission: October 17, 2014

Extended Abstract Preparation & Submission Guidelines:

Submitted extended abstracts should be up to 4 pages in length, written in English and typeset using either the LaTeX or the Word template provided at <http://odysseus2015.sciencesconf.org> under the \*Submission\* section.

Extended abstracts will be peer-reviewed and acceptance of the contributions will be based on originality of the work, suitability regarding the main topic of the workshop, and overall quality of the submission. A single presentation per full registration policy will be enforced.

**Organizing Committee:**

Luce Brotcorne (INRIA Lille Nord Europe)

Dominique Feillet (Ecole des Mines de Saint-Etienne)

Nicolas Jozefowicz (LAAS-CNRS / INSA de Toulouse)

Dominique Quadri (Université Paris Sud XI)

Frédéric Semet (Ecole Centrale de Lille)

Christèle Mouclier (LAAS-CNRS)

Looking forward to your submissions and to seeing you in Ajaccio!
