

## ILS 2016 – Second Call for papers

You are invited to submit original research manuscripts to the 2016 *International Conference on Information, Logistics and Supply Chain (ILS 2016)*. ILS will be held during **June 1-4, 2016 in Bordeaux**, France. The objective of ILS 2016 is to provide a platform for researchers as well as industrial professionals to present their research to an international audience, apart from meeting and networking with researches from all over the world. Homepage of the conference: <http://ils2016conference.com>

The contributions will be selected based on a double review and will be included in the proceedings of the conference (with an ISBN and indexed by Elsevier). Extended versions of selected papers will be considered for publication in one of the journals listed below within a special issue or proposed as regular papers. The scientific committee, in collaboration with the Editors, will provide afterward manuscript revision guidelines. **Springer** will be also publishing a selection of “best papers” in a Post-Conference publication.

- *International Journal of Production Research*
- *Computers in Industry*

### **Submission Process and Notification of Acceptance:**

All submitted papers

- to the thematic sessions

- to the Salah E. Elmaghraby's Award (the student competition)
