Following the success of previous NAEC conferences, the 2010 Networking and Electronic Commerce Research Conference/ /NAEC2010 brings together academic and industrial researchers from various fields to discuss developments and challenges of networking and electronic business. The conference will combine technical presentations grouped in research sessions, with industry and research plenary speakers, as well as industry-lead panels.

Papers submitted for presentation at the conference will be refereed and selected based on the full paper (15 to 35 pages) or an extended abstract (2 to 4 pages). The papers or abstracts have to be submitted through E-mail, by February 15, 2010 to Professor **Bezalel Gavish <<mailto:gavishb2000@yahoo.com>>**.

All papers selected for presentation will be published in the conference proceedings. Refereed revised full papers (no page limit) will be considered for publication in the **Electronic Commerce Research <<http://www.wkap.nl/journalhome.htm/1389-5753>>** Journal or the **Telecommunication Systems Journal <<http://www.kluweronline.com/issn/1018-4864/>>**.
