

To mark Michel Gendreau's 60th anniversary, we are organizing NOW 2015, a Network Optimization Workshop covering the areas of transportation, location and network theory.

The workshop will take place in La Rochelle, France, May 18-20, 2015.

The aim of the workshop is to provide a high quality forum to present results, exchange ideas, and hold scientific discussions on methodologies, computational issues and advanced applications in the area of network optimization.

Participation to NOW2015 is *BY INVITATION ONLY*.

Teodor Gabriel Crainic, Nadia Lahrichi, Fabien Lehouéde, Jorge Mendoza, Olivier Péton, Walter Rei, and Louis-Martin Rousseau
